

Greetings, everyone!

We at Faith Lutheran are grateful and thankful for every one of you. I am thankful to tell you that church school will start with Rally Day on Wednesday, September 8 at 6pm and Sunday, September 12 at 9:45am. With that, there may be many questions so I wanted to hopefully clear some of that up before Rally Day.

First, it is very important that every family register their child/ren. If you have not registered yet, please do so as soon as possible. You should have received a link through text blast- if not please call or email me as soon as possible. I have not been able to make schedules yet, nor plan appropriately for teachers because I have not heard from all of the families. Our plan is to go back to classroom style teaching again with the opening having a live action telling of the bible story. If you do not plan on attending or are no longer in attendance, please send me an email as I make plans assuming your attendance.

Second, we are planning on live-streaming the bible story each week, much like last year (as noted above). Many people have enjoyed these fun, quirky, informative story videos. Students will then go to a classroom as we have traditionally done. We understand that not everyone is at the same level of comfortability with being in-person at this time. We are providing a distance learning option like last year where you can pick materials up for Church School at home and you can join the livestream for the bible story each week. Please email or call me if you plan on doing this and I can arrange for your materials to be picked up.

Finally, as long as the Burleigh/Morton counties are in "substantial" or "high" categories for transmission rate, we will be wearing masks while in the building. This will hopefully allow us to continue in-person activities while keeping everyone, especially our kids, safe. Please be in prayer with us and the county as we again try to get to normal activities.

Thanks,

Kenneth Opsal
